MISSION STATEMENT

To achieve its vision, St. Vincent de Ferrer College of Camarin Inc. shall pursue and commit to developing highly competent, creative, and competitive professionals and skilled workers from the children of poor Camarin residents by providing accessible and holistic quality education and standard of instruction. It also commits to providing a Center of Excellence and Development in research and technology in Caloocan and its neighboring localities, and to offer a haven for inculcating active citizenship with integrity for the fulfillment of the nation's hopes and dreams for a progressive future for all.

VISION STATEMENT

We envision the St. Vincent de Ferrer College of Camarin, Inc. as a leading learner-centered arts and trades skills institution, bridging perseverance and practical wisdom in the service of society, especially the poorest of the poor Camarinians, and the Filipino youths in general.

"St. Vincent de Ferrer @ 2035," is envisioned to be a premier private non-sectarian Technological University committed to the upliftment of the quality of lives of Filipinos, especially in the fields of technology, education, accountancy, liberal arts, and sciences, which produces highly competent and IT-enabled professionals who are God-fearing, creative, critical thinker, collaborative and productive Filipino citizen, ready to respond to the challenges of the 21st Century Market.

PHILOSOPHY STATEMENT

The St. Vincent de Ferrer College of Camarin, Inc. was established to serve as a prime instrument in educating and molding morally upright, self-reliant, God-fearing, and community-oriented citizens of Camarin. This is to guarantee that those who have less in life will have the opportunity of wider access to quality yet affordable basic and tertiary education and skills training.

Through a relevant curriculum delivered by a core competency and committed roster of faculty, the college develops young minds into competent graduates who can respond to the needs of Caloocan's business community and the Philippines economy to become globally competitive in the new millennium.
